

Welcome

Greetings in the Mighty Name of our Lord Jesus.
Welcome to Freedom Night!

Freedom Night is our healing and deliverance prayer night at Crossroads Church on Tuesdays starting at 6 PM. This weekly prayer meeting is for “setting the captives free” of problems and issues already defeated on the cross. Freedom nights include worship music, testimony, teachings, and prayer dedicated to removing obstacles to physical, emotional, and spiritual healing. It is a great night to receive a “Jesus Overhaul” from Holy Spirit.

The purpose of Freedom Night is to bring light to darkness and to begin removing hindrances of Satan from your life so that you can fulfill your calling and destiny. It is to walk in dominion by breaking the demonic bondages that hold you back. This freedom allows you to leave a legacy for your children by breaking curses, stopping generational sins, and demonstrating what it means to live for God through victory, freedom, and wholeness. It enables you to live in the way God intended by being set free from torment, affliction, mental illness, trauma, soul wounds, and demonic oppression. Multiple attendance by those seeking freedom is highly recommended as we peel off layers of bondage each time.

People ask what we charge for this ministry. We do not do this for money. Freely we have received so freely we give. We do this because we want to see people set free. However, if you would like to sow into this ministry, we will gladly receive it. Please know that you are under NO obligation to give!

We look forward to all that God is going to do in you through these meetings.

What to Expect Tonight

Expect revelation. Expect healing. Expect freedom!

Tonight's Guideline of events subject to Holy Spirit direction.

1. **6:00 PM** - Receive your welcome letter and review the "Problems List" attached. Circle the areas on the Problems List that you believe pertain to you that you would like to see go away. This document is only for your eyes. We will not collect them. If you are not comfortable circling the problems tonight, then just make a mental note of them to yourself. Should you want to schedule a 1-on-1 personal deliverance session after tonight's meeting then you will need to complete the form and be willing to share it with the ministers assisting you.
2. **6:30** – Opening prayer, sharing, and teaching. One of the ministers will share his/her personal testimony about healing through deliverance and highlight important scriptures and foundational understandings needed for effective prayers this evening.
3. **7:00** – Door Closing Prayer – This prayer is essential for weakening our enemy before we pray for release. We will pray this prayer together and then the minister will speak the deliverance prayers and commands needed for demon spirits to leave.
4. **7:30** – Deliverance prayers and commands – The minister will speak these prayers, and your part is to receive and come into agreement with the prayers. We do our part. Holy Spirit does His part and sets us free.
5. **8:00** – Personal ministry as needed. We will ask the Holy Spirit to fill every void that was in your life with His light and life.

8:30PM – END - You will feel "lighter" and can go home to enjoy your new freedom. Be sure to follow the steps needed to stay free covered in the training. We encourage multiple visits to peel new layers off the onion. Come back as often as you like and bring someone who needs to be here.
