

FIRST PERSON DOOR CLOSING PRAYER

PRAY THIS OUT LOUD EXERCISING YOUR SPIRIT MAN, FROM YOUR HEART:

EMBRACE AND DECLARE JESUS' LORDSHIP

If all are Christians, then skip.

Lord Jesus Christ, I believe You are the Son of God and the only way to the Father. I confess that I have sinned and that I need You. I come to You now with a repentant heart seeking Your forgiveness and Your mercy. I thank You for bearing my sins and dying on the cross for me so that I may be delivered from the penalty of my sins. I trust You as my Savior and I invite You now to be Lord of every part of my life—Lord of my mind and all my thoughts, Lord of my emotions and all my feelings and reactions, Lord of my will and all my decisions, Lord of my body and all my behavior, Lord of my spirit and my relationship with You, and Lord of my time, my work, my family, my home, my possessions and all my relationships. Thank You that You shed Your blood so that I can be free.

Father, thank you for Jesus and for my salvation. Thank You for this moment which I believe is ordained by You. I recognize and acknowledge the presence of Your Holy Spirit and seek His guidance as I seek to break my bondages and be free from the tormentors. I am ever aware that apart from You I can do nothing. Give me clear direction as I receive anointing for this moment and claim my complete freedom. I pray this in the name of Jesus. Amen.

Jesus, thank you for who you are and what you did for me at the cross. I put my eyes on you, Jesus. I worship you, I honor you, I glorify you. Jesus, you are my Savior, my deliverer, my baptizer and my healer (physically, mentally, emotionally and financially). My eyes are on you. I am reaching out to touch you Jesus, just like the woman with the issue of blood. She knew if she could just push her way through the crowd, and touch you, that your power would flow. Jesus, here I am. I'm reaching out to you... Lord, you have told me in your word that I have power over ALL the enemy in the Name of Jesus and nothing shall harm me. As I pray I declare all of this on a permanent basis for me and my seed (my children, grandchildren, et al). Now, with this power and in the Name of Jesus, I address the strongholds of the air that would have any influence or control over the demonic activity in my life. I cancel all assignments that would try to deceive or block successful ministry. I rebuke all demons of the assignments. I call upon God angels according to Hebrews 1:14 to be service to me as an heir of salvation. Angels, go forth now.

Warring angel, cut those strongholds, break them off, terminate all gate keepers and backups, in the name of Jesus, pulling them down and sending them to the feet of Jesus. Angels go now, in Jesus name. I call upon God's angels, at ground level to

circle up with me now. Warring angels, I welcome you into this place, swords drawn, ready to help me, to be right with me to protect me in every way, fighting and warring right with me. Thank you, angels... for being here.

Holy Spirit, I stir up the gifts of God within me and ask you to guide me. Show me how to pray. Anoint me that I may receive ministry by Your Spirit. I welcome you Holy Spirit.

I apply by declaring the protective blood of Christ Jesus over me, my family, my home, my activities, my ministry, my work, my health, my attitudes, my finances, my animals and/or my pets. The blood of Christ Jesus covers us all. I put every evil spirit on notice, as you come out, you have to go directly to the feet of Jesus and report. I forbid any transference of evil spirits whatsoever. There will be no transferring out and coming back later. One way out only. Angels, I call upon you to back these commands and to mop up at the end of the ministry session, any and all demonic activity that would linger, in Jesus' name.

Jesus, as your Word says, if I seek you, I'll find you. Jesus, here I am. I'm seeking you. I'm reaching out to you. Set me free Jesus. I'm tired of the torment and the harassment that's been going on in my life. Set me free, Jesus. Satan, I renounce you and all your demons. I bind you Satan in Jesus' Name. Strongman of my house... you are bound as well. I put you all on notice that I follow Jesus Christ. At the Name of Jesus every knee will bow, every tongue will confess that Jesus is King. Jesus, you are the Ruler of my life. I'm yours. I surrender. I ask you to take over. Lead me. Guide me. Show me the way. You're in charge, 100 percent. Whatever sin I may have in my life, I confess my sin now. I repent. I ask that you forgive me. Holy Spirit, show me, convict me of any specific sin. I ask You to forgive me. Help me Holy Spirit, (pause for this).

Father, I confess that at various times in my life I have been powerless against the continuing attacks of the enemy on my sexuality. I have chosen to sin in various ways and ask you to forgive me specifically for the following: premarital sex, extra marital sex (infidelity), living together without being married, pornography, abortion because of unplanned pregnancy...and any and all additional sexual sins.

[PAUSE: specifically name aloud all sexual sins that the Holy Spirit brings back to memory].

I renounce these sins, activities and inappropriate relationships. I come to You now with a repentant heart seeking Your forgiveness and Your mercy. I ask you to cleanse my memories, heal my hurts, and forgive me. I pray this in the name of Jesus. Amen.

I now turn away from my sins and my former lifestyle. I ask You, Father, to forgive me for all my transgressions. Give me discernment to recognize temptation when it comes, and the strength to resist it with Your help. Thank you that Jesus' blood was shed that I might be made clean. I ask you to cleanse me now from all unrighteousness. I take full

responsibility for choosing to sin in this way. I ask that You set me free from the chains and incorrect thinking patterns (strongholds) that have bound me to these sins and this lifestyle. I pray this in the name of Jesus. Amen.

Thank you, Jesus, for this free gift that washes that sin away. It is not of works but it is a free gift by grace, how awesome you are Lord. I place my faith in You, Jesus, to cleanse me by the blood of Jesus. I am righteous and holy before God because of the blood of Jesus. Thank you for washing my sin away. As the scriptures say, you don't even remember my sin anymore. It's all gone... it's a free gift... thank you, Jesus. I receive my forgiveness now.

Jesus, as you have forgiven me, when I really haven't deserved it, I choose to forgive all the people who I think have wronged me, have offended me, those whom I am angry with and can't stand to be around. I forgive them even though they don't deserve it. As you have done this for me, I do it for them. Jesus, I believe in my heart that you are the Son of God, that God raised you from the dead and You are King. Therefore, by these confessions, and the security of your word, I know that I am a born again believer. I believe in my heart and I declare with my mouth that Jesus is the Christ, the Son of the Living God. I am a new creation. Old things are passed away. Everything is new. I am a new species of human being. Hallelujah, thank you Lord Jesus.

NOTE: Please consider water baptism if this was the first time to pray this or if you are not sure that you prayed this sincerely in the past.

Jesus, I repent for any involvement with witchcraft, known or unknown for me and all my ancestors. I renounce any witchcraft powers. I choose the power of the Holy Spirit. I repent for not giving, for being selfish and withholding my money from you; forgive me, Lord. I repent for any hypnosis, idolatry. I confess this as sin Lord, generational or otherwise. I put my eyes on you, Jesus. You are number one in my life.

I ask You now to forgive me for all occultic involvements that I may have knowingly or unknowingly entered into such as playing with Ouija boards, reading horoscopes, visiting psychics, hypnosis, tarot cards, belief in reincarnation, hypnosis, occultic games and other such activities for which I may not be aware are sinful. I acknowledge that all such practices are the worship of Satan, and I choose now to place Jesus on the throne of my life. I pray this in the name of Jesus. Amen.

I repent of any dishonor that I carry toward my parents. Forgive me, Jesus, I put aside the things that may have happened between my parents and me.... In obedience to your word Lord, I forgive them and I choose now to honor the office of parent. I repent of any illegitimacy that is present in my family lines... for all my ancestors. I ask that you forgive me Lord. And therefore, in Jesus' name, I break the curse of illegitimacy off me and my seed.

I repent for the sins of all my ancestors. I forgive them, and I ask that You forgive them, Father God. And therefore, by the Blood of Jesus, I break the power of all generational curses, spells, inherited spirits of Satan, and spirits of infirmity. I break them off me and my seed. I sever, in Jesus' name, any satanic generational or spoken contracts, vows, dedications, pacts, oaths, ties, programs, seals and assignments. I cancel all assignments that have been sent against me as lies to the mind, to try to influence me to walk down the wrong path. I cancel these lies permanently, in Jesus' name. I declare that from this time forth, I will only listen to the truth of the Word of God and the voice of Jesus, the Holy Spirit and Father God. I cancel, in Jesus' name, all genetic and DNA defects in me and my seed. I command our genetics and our DNA to line up now with my inheritance in Christ Jesus.

I repent of having received fear into my life. Forgive me Lord, for I am learning. I'm beginning to see that fear is the opposite of faith. I choose to stand on your word, Father God, to stand in faith. Therefore, I renounce and rebuke all fear. I repent for pride. Forgive me, I humble myself before You as my King and my God. I repent for the works of the flesh, for sexual immorality, drunkenness, drugs, addictions, jealousy, envy, anger, rage, or fighting. Forgive me, King Jesus.

I repent for rebellion and disobedience that I've had toward You on behalf of my ancestors and me. I confess this as sin. Therefore, by the word in Galatians 3:13, Jesus has redeemed me from the curse of the law. I declare this now. I break the curse of the law off of me, my family and my seed. I receive the blessing of Abraham. I repent for having spoken any curses or judgments on others, or myself. I repent of any ungodly vows that I may have spoken over myself. I cancel them in Jesus' name. And I renounce and rebuke all related demons.

I repent of any involvement with secret societies, free masonry, eastern star and their associated organizations. On behalf of me and my ancestors, I confess this as sin. I ask that you forgive me. Therefore, in Jesus' name, I break all curses or judgments, spoken or unspoken, off me, my family, and my seed.

I also cancel all assignments that would influence the demons in the people around me to my detriment, in Jesus' name. I cancel all Satanic prayers or incantations that have been prayed over me and my family. I cancel any hexes, vexes, voodoo, Indian curses, medicine man curses, curses upon the land where I live, or my home, objects within my home, my possessions, my animals or my pets.

I cancel all psychic activity and all ungodly soul ties, including any witchcraft generational soul ties that may exist between others, myself and my seed. I rebuke all related demon control spirits. I also call back any fragmented parts of my soul. I command my soul to be made whole and reseated in proper order and balance as God designed it to be.

I proclaim my freedom by the blood of Jesus, the freedom of my family and of my seed, in Jesus name. It is done! Thank you, Jesus, for the power that is in your name. Thank you, Jesus.

Jesus, since you have forgiven me, and I know that you have, I choose to forgive myself. I put aside all the things that have happened including things that I think I should have done or didn't do. I know I'm forgiven... my sin is not even remembered by You anymore. I know that the Father sent His son to the cross just for me. He forgives all of my sin. Since he did all that, I forgive myself. So I do it. I forgive myself. It's done. It's behind me.

If my heart's been broken, I forgive the one who has done this. Holy Spirit, I ask that you wash my broken heart now, with the precious blood of Jesus... cleansing it, mending it, healing it, making my heart new again. I receive a new heart and a new start. And if I carry bags of bruises, and hurts, and emotional pain, I don't want the load of them anymore. Jesus, I cast my cares upon you. I'm taking this load, all these hurts, emotional pain, all these bags of bruises, I'm pulling them out, Holy Spirit, with my spiritual hand, I'm giving them to you. *[Just take your hand, pull them out and hand them up to Jesus. He's ready to take them if you'll give them to Him.]* Thank you, Jesus. Thank you, Father God, for taking them. Thank you, Jesus. Thank you, Holy Spirit. Jesus, you're stronger than I am. Thank you that you're there.

Father God, if I have blamed You for things that have happened, I'm sorry, forgive me. I am still learning that it is Satan who comes to steal, kill and destroy, but that you have come, Jesus, that I might have life, abundant life (See John 10:10) and blessing. I choose you, Jesus, life, and blessings.

Holy Spirit, I've already forgiven all the people that I think have wronged me or offended me. But if there's any resentment, bitterness, emotional pain, rejection, feelings of betrayal, neglect, abandonment... show me who that's with. I'll be obedient. I'll release them to you, Jesus. I choose to forgive them, based on Your Word I release the grace of God in my life. And I choose to forgive all those who offend me in the future. I will have a clear conscience.

God's angels, you are circled around me. Thank you, King Jesus, that you are working with me, that your Word is performing itself with supernatural signs following. I declare this place to be Holy ground.

Minister says prayers to cast out the demons.

I now take authority over every demonic spirit in this room and assigned to all people in this room which cannot confess the Lordship of Jesus Christ of Nazareth who came in the flesh. I remind you of Jesus' death, burial, resurrection, ascension into heaven, and His place of authority at the Father's right hand. I remind you that all authority in heaven and on earth belongs to Jesus and that I too belong to Jesus and share in His authority. I now command that all demons are bound, muted and powerless against me and anyone else in this room. You will be commanded in the name of Jesus Christ to leave and you will be silent and will do no harm as you depart. You will not disrupt this meeting as you leave. Your job is to obey and leave when you are commanded. As you have been commanded you cannot split, divide, multiply, fragment, clone or in any way pass your duties on to any other demons. Your kingdom will be completely and totally destroyed. Any damage, disorder, sickness, or disease must be put back in its rightful order just as JEHOVAH GOD intended it to be. I bind you. You will not return to these people, their family, or their home. I pray this and command it in the name of Jesus. Amen.

ADMINISTERING THE BAPTISM OF THE HOLY SPIRIT WITH SPEAKING IN OTHER TONGUES

At the end of a ministry session, I usually ask the person if they have received the Baptism of the Holy Spirit with speaking in other tongues? I learned to always ask “with the speaking in other tongues?” If they say, no, then I ask, “would you like to?” If the person is not sure, then I usually give them my testimony and what it did for me and how I received a boldness and power that led to the ministry that I do today. (Acts 1:8)

It is important to understand again that we are always in control, that we can start and stop our prayer language or tongues anytime we wish. I sometimes show the person at this point by speaking in tongues for 15 or 20 seconds. To again point out I was in total control to start and stop and that I did not understand what I just said. That the Holy Spirit was giving the utterance.

When the person says they are ready I ask them to repeat after me:

Jesus, thank you for the ministry you have given me. If you have more for me then I am ready. I know I need the power; it's a tough world here. So, Jesus, I ask you to baptize me in the Holy Spirit. Holy Spirit, by faith I receive you, the fullness of you and my prayer language.

I lay my hand on their head saying, “Receive ye the Holy Spirit.” I now commence speaking in tongues. One of three things happens at this point:

1. A flowing language comes right out.
2. The individual receives a few mumblings (As a start)
3. Nothing comes out at this time. In the next day or two they speak as they are relaxed in private and their eyes are on Jesus

I have seen it help some to get started by saying, “Just speak out some sounds or vowels...and I will lead them in this, finally rolling on into my own prayer language.

If they were able to speak some then I like to suggest we go one more time so they can see they can start their tongues anytime they wish. I usually then give them the Baptism of the Holy Spirit handout so they can look up some of the scriptures and look at what the fullness of Holy Spirit brings to us.
