

FREEDOM NIGHT

Freedom Night is for “setting the captives free” from problems and issues as Holy Spirit comes and provides healing.

Believers are equipped through prayer and application of scripture to remove hindrances of Satan and his minions from their lives so they can fulfill their calling and destiny. Curses are broken, generational sin stopped, demonic oppression and related spiritual baggage removed so the participant can begin to live in the way God intended; set free from torment, affliction, mental illness, effects of trauma, soul wounds and more.

Come to Freedom Night at Crossroads Church in Gulfport, MS from 6PM to 8PM on Tuesday evenings. You will hear a powerful testimony, teaching, and prayers that equip you for your journey to total freedom. More freedom will come by renewing your mind as you read the Word daily. Repeated attendance at Freedom Night as needed will help you to peel off layers of bondage each time. **(These events are for adults only. No childcare provided.)**
