

The Fuel Of The Heart

2-17-03 by Harold Vondenstein

Unconditional love
The solution to dilemmas
Decisions not to love
Are not from God

We're quick to justify
Decisions made not wise
We've got to look at things
Through God's very own
eyes

Feel the peace
That comes from God's
grace
When you decide to love
To love in hate's place

Forgiveness is the fuel of the
heart
Forgiveness
Unconditional love

Angry Love

3-16-03 by Harold Vondenstein

Angry love is the work of the beast
Patient love of our King
Anger the root of bitterness
Forgiveness is His thing

Let your heart ring true of its
essence
Let the poison of the enemy
subside
Take a breath and pause for
redemption
Show your true heart not anger or
pride

Seize the moment the chance for
forgiveness
Once it's passed it is gone
forevermore
Put your arms around the child of
contention

Angry love is the work of the beast

Forgiveness

1-01-03 by Harold Vondenstein

You're not the child you think you are
Stop living in the past
The choice you've made of being crippled
Isn't something that should last

Cause if you want true healing
You've got to let it go
Forget the things that were done to you
Total love will let it flow

Forgiveness
Mercy toward the ones
The ones you see have hurt you
The ones you have to love

For if you choose to let it be
The way it's always been
Unhealing stays the enemy
The enemy will win

Forgiveness
Mercy toward the ones
The ones you feel have crippled you
When really you're the one

Let it go send it far away
Unconditional love
The pain will go then you can grow
With the Father who's in love....

With you
He's in love with you
He wants you
To be free with Him

His mercy
His unconditional love
His forgiveness
As he says to you

Forgiveness
Have mercy toward the ones
Who have hurt you
Let everything be undone

In the name of love
Brings you healing
In the name of love
Says the father

Forgiveness
Have mercy toward the ones
Who have hurt you
Let everything be undone

In the name of love
Brings you healing
In the name of love
Says the father

Forgive Me I'm Sorry I Hurt You

8-28-02 by Harold
Vondenstein

Father I cry out to You
My sorrow I feel is due
To the way I hurt You
To the way I let You go
To the way I have sinned
against You
Lord don't let me go

Oh Lord let me put my
arms around You
Oh Lord let me kiss you
and hold You in my heart
I want to I want to
release You
From the pain of my sin
against You

Oh God don't take Your
grace away
Father please give me
another day
I promise I promise to
honor You
To praise You in the spirit
once again

I know your unlimited
love and mercy
I've known all my life and
this day
I've felt the release of
Your forgiveness
Your patience and love
and holy way

It's Not About You

by Harold Vondenstein
5-5-03

It's not about you
It's all about him
What you're gonna do
Shouldn't revolve around you
It's all about him

It's time to wake up
And see what you're missin'

It's not about you
It's all about him
Make him the center of your life

When you give it up
When you grow up
And realize the truth
And you see at last
That you've spent your past
Alone around you...
And finally you know....that

Dear God forgive me
For focusing on myself
For thinking about me all the time
Release me from this bondage
And into you way
Of grace and giving to others
Of forgiveness
And goodwill to others
I want to make you the center of my life

Forgive Yourself

by Harold Vondenstein 1-13-03

When you're searching
For the reason you're not happy
When you look into the mirror
And feel alone

You pray dear God
I know it's about forgiveness
I've forgiven all
But still I feel like stone

Says the Father
"Take another look in the mirror
I have forgiven you... yes
you've forgiven all
But there's one you've left sitting on the shelf
It seems you've forgiven all except yourself

Yes take My word
And teaching to the others
Yes take My love
And share it everywhere

But first there is something
That you must do
Forgive yourself
Release your hurting heart"

For the heart that is free
Life's a celebration of beauty
For the heart that is free
A festival of the Spirit

"Forgive yourself
Release your hurting heart"

It Hurts

by Harold Vondenstein 01-06-04

It hurts
When I think
Of how I let you down

It hurts
When I know
That I've been out of line
It hurts
When I think
Of how I've left you
It hurts
When I think
Of how you cry

It hurts
When I think
How I have chosen
It hurts
When I go back into time
The pain
It is deep
And it is heart felt

Remorse
Is the cover
Of my heart

Hear me Lord
This cry is from my heart
Take my arms
And lift me up to you
Let us embrace
I need your healing love
Forgiveness
Is what I ask
Of you (2x)

Thank you Lord
My Jesus
My king
My love

Reflections

by Harold Vondenstein 11-13-03

Reflections
Mirrors of your past
Guilty
Feelings that you have
Remember
That he forgives your sins
A clean slate
Is what you have today
If you can believe
If you can believe

There is no failure
Just temporary victory
Of the enemy
Getting you off path
How he sees me
Like a daddy in his eyes
I am healed
I'm forgiven
I am free

Don't let the guilt live in you
It's not your fault
The enemy was strong in your life

Forgiveness
Is what you have from him
Abba father forgives and forgets
You are free if only you can believe
That he forgives and forgets
You are free if only you can believe
That he forgives and forgets
Forgets all you have repented

Now forgive yourself
And move on with him now
Grasp this truth
Or it comes against your call
Get beyond it
Get out of yourself
It's a war
Be healed
You're forgiven
Get on with the Lord
He is waiting
Waiting on you
